

This diagram shows an exploded perspective view of a mechanical assembly. The components are labeled with numbers: 141, 142, 143, 144, 145, 146, 147, 148, 149, 140, 93, 92, 111, 100, 97, 94, 95, 96, 173, 179, 180, 99, 90, 7, 6, 8, 5, 101, 104, 88, 91, 177, 176, 175, 178, 87, 10, 9, 82, 89, 147, 148, 149, 106, 107, 108, 109, 174, 81, 110, 105, 80, 102, 103, 86, 85, 140, 80, 102, 103, 86, 85, 140. The assembly includes a central rectangular component (100) with a coiled spring (93) attached to it. Various other parts, including rods, pins, and structural frames, are shown in their relative positions as they would be assembled.
